12th Annual Meetings Industry Council of Colorado Educational Program and Trade Show Program

WELCOME TO THE 12TH ANNUAL MEETINGS INDUSTRY COUNCIL (MIC) OF COLORADO EDUCATIONAL CONFERENCE AND TRADE SHOW

We are grateful that you have chosen to spend the day with us! We are excited to mix things up a bit this year with a new format for the day, including an opening general session and revised afternoon schedule. The council has worked hard to bring you cutting edge educational sessions, emerging meeting technologies and

enhanced exhibitor ROI. We are confident this year's event will be one of the best ever.

One of the Council's goals this year was to elevate the awareness and credibility of MIC and the Meetings Industry in Colorado. We are thrilled to have two special dignitaries addressing you today, Denver Mayor Michael Hancock and Al White, Director, Colorado Tourism Office. These individuals understand the importance meetings and events play to our economy and are honored to speak to our prestigious group.

I'd also like to give sincere thanks and appreciation to the 2012 MIC members for their efforts to produce the conference this year. The volunteer members of the Council dedicate not only their time, but their talents as well. This group along with Rocky Mountain Event Consultants (RMEC), the team that manages the MIC, has worked diligently over the last year to produce this day of education and networking. One last thank you to NSA Colorado. Every year this organization does an outstanding job of preparing a line up of session topics and presenters that are both relevant and of the highest caliber. They've outdone themselves once again!

On behalf of the 13 meetings industry related organizations that make up the MIC of Colorado, we thank you for your continued participation, attendance and support. You allow us to achieve our mission year after year by strengthening the relationships between organizations, and their members, through communication and cooperation.

Enjoy the day!

Nicole Marsh, CMP, DMCP Chair, Meetings Industry Council of Colorado

Having experienced all that the Meetings Industry Council of Colorado Educational Conference and Trade Show has to offer, we look forward to seeing you next year for our 13th Annual Meeting at the Colorado Convention Center. Please watch MIC's website for information and updates: www.mic-colorado.org.

TED MEETS MIC - TOP TRENDS YOU NEED FOR SUCCESSFUL MEETINGS

This TED-formatted session will feature subject matter snapshots of areas integral to the success of today's meetings.

Who's TED and why should I be there?

The changes in the meetings industry are coming so quickly that the savvy planner needs extra hours in the day to stay on top of them. This year's Opening General Session gives you insights into four areas, using the TED format, where speakers are given a maximum of 18 minutes to present their ideas in the most innovative and engaging ways they can. Grab breakfast and be in your seats – this session is not to be missed.

www.GaylordHotels.com/meetings 1-877-677-9352

On Tuesday, November 8, 2011, thirteen Colorado hospitality organizations joined forces for the 18th Annual Serving Up Hope Luncheon (formerly Network for the Needy Luncheon) and raised \$22,000 for Food Bank of the Rockies' Denver's Table program.

Serving Up Hope is sponsored by the Meetings Industry Council of Colorado (www.mic-colorado.org). MIC is a coalition of professional meetings industry-related organizations. Incorporated in 2000, MIC is a partnership between 13 national and local member organizations either founded in Colorado or within state chapters. Its underlying purpose is to strengthen the relationships among participating organizations through increased communication.

This year's event set a record attendance with 640 industry professional attending! The luncheon featured emcee Reggie Rivers, former Denver Bronco, media personality, motivational speaker, author and respected community advocate who took time from his busy schedule to be part of this important cause for the second year in a row.

Chefs from local hotels, restaurants and catering companies put their best 'food' forward, tempting attendees with their appealing appetizers, exquisite entrées and delectable desserts. Local food critics and fellow chefs awarded prizes in four categories (appetizer/salad, entrée, dessert, and presentation) to the best entries. Culinary awards were given to the Hilton Garden Inn Zink Bar & Patio for Best Appetizer, Le Grand Bistro for Best Entrée, two time winner Metropolitan State College of Denver for Best Dessert, and the best culinary station presentation went to the Hilton Garden Inn Zink Bar & Patio. Winners received an award tile with artwork designed by Alondra Zamora, age 11. Alondra is a participant in the Denver Rustlers Kid's Café, a program sponsored by The Food Bank of the Rockies. She was also present at the event and was honored on stage by Reggie.

The special Serving Up Hope committee is a group of dedicated and compassionate individuals from the hospitality industry who work together to create a wonderful event with delicious food and fun for a great cause. Everything is donated, so 100% of the proceeds benefit Food Bank of the Rockies and its Denver's Table program. This year the final check written to Food Bank of the Rockies was for \$22,000!

Food Bank of the Rockies distributed over 39.4 million pounds of food to more than 1,100 hunger-relief programs in Fiscal Year 2011. Its Denver's Table program collects donations of prepared food from restaurants and caterers, as well as perishable foods from local grocers, and delivers it to agencies serving meals to the needy. Last year, Denver's Table safely picked up 5.2 million pounds of food and their agencies served more than 4 million meals to less fortunate children, seniors and families; food that otherwise would have been thrown away.

An additional element of the Serving Up Hope event is the annual food drive competition between the 13 MIC organizations. This year, over 12,000 pounds of food was donated by attendees – this food is in addition to the \$22,000 raised by the luncheon. Awards for the most food donated per member were given to two organizations – Christian Meetings and Conventions Association (CMCA) for the organization with less than 125 members and Meeting Professionals International Rocky Mountain Chapter (MPIRMC) for the organization with more than 125 members.
